2009-2010 PLUS Request Form

In order to process your request for a Federal PLUS Loan, this form must be completed and returned to the Office of Financial Aid. You must also have signed a Master Promissory Note (MPN) on file with your lender. (Parents of new students should initiate a credit pre-approval and loan application with the lender of your choice. The lender will direct you to complete a MPN either online or by mail.) Completion of the MPN is only required the first year you receive a PLUS Loan, **if you remain with the same lender.** However, **each year you must initiate a PLUS Loan credit pre-approval with your lender, along with completing the BSC PLUS Loan Request Form. If you are denied a PLUS loan send us a copy of the denial and your student becomes eligible for increased Stafford Loans.**
