Name: \_\_\_\_\_ BSC ID #: \_\_\_\_\_

Contact phone # \_\_\_\_\_ Email: \_\_\_\_\_

Summer Address: \_\_\_\_\_  
Street/P.O. Box City State Zip

I plan to enroll in the following terms in SUMMER 2010:

Summer Full-Term \_\_\_\_\_ units, Summer First-Half Term \_\_\_\_\_ units; Summer Second Half-Term \_\_\_\_\_ units.

I am applying for: (circle all that apply)

\*PELL DIRECT LOAN WORK-STUDY PARENT DIRECT PLUS LOAN

Scholarships: none of our academic scholarships can be used in the summer. Summer tuition is 75% less than during the academic year; it is a real bargain without a scholarship.

\*Pell: Students eligible for Pell in 2009-2010 can use 2009-2010 Pell eligibility to receive Pell in the summer. Students must have attempted 3 units for the fall and 3 units for the spring; summer classes must include 1 credit hour into a new academic year. **3 units are required to be full time in summer. Students must be at least half time (1.5 units) to receive Pell. A Pell Policy statement is available on the web site.**

Loans: Any loan used in the summer will reduce your loan for the fall/spring because there is an annual maximum. **New instructions on completing a Direct Loan MPN and entrance counseling will be available on the web site. A separate Direct Parent PLUS Loan Request Form is required for PLUS.**

Work: A limited amount of work study is available in summer. **A separate summer work application form is required and is available in the financial aid office.**

**You must be enrolled in at least 1.5 units to be eligible for aid in the summer; 3 units is full time for all federal aid.** We will process this application based on the number of summer units for which you are currently registered. **1 unit is less than half time for summer.**
